

## **Final Exam Project**

### **Create a Wiki for your Social Studies Class**

Directions:

1. Select a grade.
2. Select a Social Studies Topic .
  - a. e.g.: Colonial America, Early Inventions, Immigration, or the topic from your unit .
3. Log into <http://www.wikispaces.com/site/for/teachers> and follow instructions to create your home page
4. You are to create a wiki as a resource for your social studies students. You must have the following pages:
  - a. Home Page—Introduces the topic
  - b. Activities related to the topic.
  - c. Internet Resources for the topic
  - d. Online videos, etc.. related to topic (Teachertube, Schooltube, Youtube)
  - e. Trade Books related to topic.(APA format for books)
  - f. Reference page (APA format: include all materials used in the wiki)

You can add any additional pages you would like to add.

You can add some Web 2.0 tools to your page or pages if you wish.

Make sure you include activities that cover as many of the Ten Thematic Strands in Social Studies as possible.

**Must be submitted by Midnight December 19.**
